Date of Service: 5/31/23	Teacher(s): Rabbi Yehoshua Lustig	Start Time: 5pm	End Time: 7pm
<p>TOPIC: Behavior – General</p> <p>We discussed general behavioral dynamics and patterns in this division. We discussed how a specific response from principal may be exactly what's needed in the case of one student and in another case, may really not work or help the student grow. Thus, if we take a case by case lens, and assess what exactly happened – and take the student's temperament into account, we will then be much better informed and set up for an effective behavioral intervention.</p> <p>Overall, Rabbi Lustig understood that approach and will seek to put it into action within the division.</p>
