<p><b>TOPIC:</b> <b>Motivation</b></p> <p>We assessed various initiatives currently in place to help infuse greater motivation in the students. Overall, these initiatives have proven effective to a significant extent. We discussed how these initiatives are never about perfection, but rather that each such initiative – that comes from a unique angle – will serve to motivate certain temperaments. And how the cumulative effect of all these initiatives allows one to reach many, and different types of, students.</p> <p><b>Overall,</b> staff have also seen the impact of these motivation initiatives and will seek to keep utilizing similar methods especially at end of year.</p>
