<b>Date of Service:</b> 5/15/23	<b>Teacher(s):</b> Rabbi Itzy Klein	<b>Start Time:</b> 12pm	<b>End Time:</b> 2pm
<p><b>TOPIC:</b> <b>Differentiated Instruction</b></p> <p>We discussed differentiating the instruction as much as possible for various, specific students in his class. We discussed how – for a student with low self esteem – to really add in positive reinforcement each time he sees him doing something well – however small. And with another student, to discuss a particular matter in a quieter setting – where the student will feel more understood and will have an easier time adjusting and learning.</p> <p><b>Overall,</b> teacher will seek to implement the above approach with several students we discussed.</p>
